

## Press Release

### **Over 4000 students at Lovely Professional University Take AMCAT, India's Largest Employability Test**

- Over 500,000 students undertake AMCAT every year
- AMCAT Toppers are placed with top companies in India

**Jalandhar, 28 April, 2014:** Gearing up for the placement season, students are leaving no stone unturned in racing for the best jobs in the country. More than 4000 students of [Engineering, IT, Management](#) branches of the class of 2015 took AMCAT at Lovely Professional University, Jalandhar, in partnership with Aspiring Minds, India's largest employability solutions company. AMCAT was held in the institute on 26<sup>th</sup> and 27<sup>th</sup> of April, 2014.

AMCAT has been taken by more than a million students in the country so far. More than 550 companies including HCL, Sapient, Ericsson, Tata Motors, SBI Life, Axis Bank hire thousands of students each year through AMCAT.

**Varun Aggarwal, CTO, Aspiring Minds** said, "AMCAT enables students to assess their job skills and be better prepared for the industry. We hope these students of LPU, Jalandhar are able to get closer to their dream jobs and be well prepared for the impending placement season."

AMCAT is a tool to assess and benchmark the skills of test takers in various modules like English comprehension, quantitative ability, logical ability, personality assessment, computer programming and electronics. Over a million candidates across 25 states and more than 3000 colleges have so far taken AMCAT. AMCAT's key strength comes from its scientific validation and widespread use across the industry for recruitment. The industry today understands using AMCAT is clearly a ticket to a 'high-quality' workforce.

AMCAT takers get a detailed employability feedback report to know industry fitment, strengths and weaknesses; every student receives the AMCAT Employability Certificate which showcases his strengths to companies, and results in relevant interview calls from multiple companies based on the score.

#### **About Aspiring Minds:**

Aspiring Minds is India's leading employability solutions company, headquartered in Gurgaon. Aspiring Minds offers scientific assessments with an innovative large-scale sourcing model analogous to a GRE-for-job concept. The state-of-the-art assessment tools developed by Aspiring Minds have been used across industry verticals to help recruit the right people, develop profile-wise employability benchmarks and assess workforce health.

Aspiring Minds' intelligent adaptive assessments span across Language, Cognitive skills, Domain knowledge and Personality. A strong in-house research and development team with alumni from IITs and MIT form the development backbone of the patent pending assessment tools.

AMCAT™ - the flagship product is India's Largest Employability Test. Conducted across the country throughout the year, AMCAT has been taken by over 1,000,000 candidates in 3000+ campuses, spread across 25 states. Tens of thousands of candidates secure their dream jobs every year through AMCAT.

Powered by a highly dedicated management team drawn from the IITs and IIMs, over 225 full-time employees, and a pan-India operational presence, Aspiring Minds has helped leading brands across verticals to improve their recruitment process efficiency and the quality of talent they hire. Aspiring Minds products and solutions have been adopted by leading corporates across sectors.
